

Love the Outdoors?

DO YOU WANT TO PROTECT OUR WORKING FARMS, FORESTS, AND SPECIAL PLACES FOR THE NEXT GENERATION?

Take Action - Become a member of Three Rivers Land Trust!

Connection to Land

Fun events like a farm fresh breakfast, kite flying at a local orchard, and paddling on a hidden pond, help foster a community connection to nature.

Education

School and summer camp programs and family outings help kids (and grownups!) learn about our natural world.

Conservation

Through land purchases and voluntary conservation easements, we keep farms, forests, and places for recreation available for food, fun, and employment.
